Certification of Beneficial Owners for Legal Entity Clients

This information is required by federal regulations as a means to identify and document information for individuals who own and/or control a legal entity.

To help the government fight financial crime, federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. A legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in The United States of America or a foreign country. A legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

Do not complete if the entity is publicly traded on an exchange or subject to ERISA.

Beneficial Owners

Identify each individual who owns—directly or indirectly through any agreement, arrangement, understanding, relationship, or otherwise—25% or more of the equity interests of the legal entity.

☐ Check this box if no individual owns 25% or more of the legal entity and that you will inform the Fund if/when an individual assumes 25% or more ownership.

PART VI: COST BASIS ELECTION

The Fund is responsible for tracking and reporting to the IRS your realized gains and losses on covered shares. In general, these are shares acquired on or after Jan. 1, 2012. Purchases or transfers made into your account with shares acquired prior to January 1, 2012, are referred to as noncovered shares. For all methods except Specific Identification, the Fund redeems noncovered shares first until they are depleted and then applies your elected method to your remaining covered shares.

The Fund's default tax lot identification method is **FIFO (first-in, first-out)**, which means the first Fund shares you acquire are the first Fund shares sold. You may choose another method below. **Note: IRS Regulations do not permit the change of the method on a settled trade.** If you are using average cost as your method, by signing this application you agree to use the fair market value of the shares if the gift is at a loss.

- ☐ I choose the Fund's default method of FIFO
- ☐ I choose a method **other** than FIFO (select a method below)
- ☐ HIFO – Highest in, First Out
 - ☐ LIFO – Last in, First Out

If no option is selected above, your account will use the Fund's default method. If your account cost basis method is Average Cost, whether by election or default, and you are receiving a gift, you agree to receive that gift at fair market value if received at a loss.
